

## **Call for papers**

### **The 10th International Symposium on Recent Advances in Exploration Geophysics (RAEG 2006) in KIGAM, Korea on March 30, 31**

**Registration deadline: Jan 31, 2006**

**Paper deadline: Feb 28, 2006**

To enhance academic and technological intercommunication, the 10th International Symposium on Recent Advances in Exploration Geophysics (RAEG 2006) will be held from March 30 to March 31, 2006 at Korea Institute of Geoscience and Mineral Resources (KIGAM) in Daejeon, Korea. The focus of the symposium is application of exploration geophysics to engineering and environmental fields. These include near-surface investigation, borehole geophysics, time-lapse (4-D) imaging of the subsurface, and interdisciplinary or fusion technologies of all geotechnical methods. Papers from all areas of basic and applied geophysics and especially for resources exploration are also welcome.

**Date:** 30-31, March 2006

**Location:** Jurassic Hall, KIGAM

#### **Chairs:**

Yuzuru Ashida (Kyoto University)

Jung Hee Suh (Seoul National University)

Tai Sup Lee (KIGAM)

#### **Secretary-generals:**

Yoshinori Sanada (Kyoto University)

Yoonho Song (KIGAM)

#### **Members of Organizing Committee (alphabetical order):**

Seong-Jun Cho, Seho Hwang, Hee Joon Kim, Jung-Ho Kim, Tae Jong Lee, Toshifumi Matsuoka, Hitoshi Mikada, Kyosuke Onishi, Sam Gyu Park, Changsoo Shin, Yasuhiro Yamada

#### **Organized by:**

Kyoto University, Japan

Seoul National University, Korea

Korea Institute of Geoscience and Mineral Resources

#### **Cosponsors:**

Society of Exploration Geophysicists of Japan (SEGJ)

Korean Society of Exploration Geophysicists (KSEG)

Geosystem Research Institute, Japan

**Registration Fee:** US \$ 50 (including dinner and proceedings)

**Registration:** Please send your Registration form by e-mail or Fax.

**Accommodation Fee:** self-care (Organizing Committee will help participants book the hotel rooms provided the registration no later than Jan. 31, 2006)
